Finish Warranty

ADM Flooring Inc. warrants to the original purchaser/homeowner (who owns the home in which it was installed) that the finish, when used under normal residential traffic conditions, will not wear through or separate from the wood for a period of 25 years from the date of purchase. Gloss reduction is not considered a manufacturing defect and is not included in this warranty. Finish warranty excludes any surfaces checks/splits caused by improper environmental conditions, scratches, indentations, and color change from indoor UV light or sunlight.

ADM Flooring Inc. prohibits the use of any adhesive tape on the flooring during the time of installation or thereafter. This includes tapes that are specifically made for wood flooring, such as blue or green masking tapes. Such use of any tapes voids this warranty and no claims will be addressed in regards to defects in the finish as a result of the use of tape.

The ADM Flooring Inc. installation and maintenance instructions MUST be followed as condition for these Warranties to have effect. You may obtain these instructions directly from ADM Flooring Inc. by downloading or printing them from our website, www.ADMFlooringDesign.com, or sending an email request to info@ADMFlooringDesign.com.

Structural Warranty

ADM Flooring Inc. warrants that the residential flooring sold under this Warranty is, at the time of sale, free from defects in material and manufacture and that it conforms to ADM Flooring Inc. standard specifications for the product category. ADM Flooring Inc. further warrants that, when installed and maintained according to ADM Flooring Inc. specifications, and when used according to its intended purpose, the flooring will not delaminate, separate, buckle or cup as a result of a manufacturing defect.

Stair Nose Structural Warranty

ADM Flooring Inc. warrants to the original purchaser that the nosing will be free from defects in material and workmanship when installed and maintained according to ADM Flooring Inc. specifications. If a nosing fails, ADM Flooring Inc. will replace or repair, at its option, for as long as the original purchaser still owns the property where the nosing was installed. Inspect

nosing before installation; once material is installed it is considered accepted. Although nosing is designed to be the closest representation of the actual floor, variation in color, texture, shading, grain, knots & distressing may be evident and, in some species, even extensive. This is normal and is not considered a defect.

PLEASE NOTE: Nosing is not covered by a finish warranty.

WARRANTY EXCLUSIONS

- ❖ Checks, splits, or delamination caused by improper environmental conditions.

- ❖ Failure to maintain the environment at a humidity range of 30%-50% year-round and a room temperature of 60° to 80°F.

- ❖ Color variations in flooring are a natural occurrence due to the species, age, character of flooring and exposure to UV light or sunlight. For these reasons, new and/or replacement flooring may not match display samples and/or existing flooring.

- ❖ Due to color variations of product and/or samples, ADM Flooring Inc. is not responsible for the consumer matching flooring to other wood products, such as cabinets, stair railings, trim and any existing moldings.

- ❖ Normal exposure to sunlight will bring about changes in the shading of any hardwood floor as the floor ages. Area rugs should be moved occasionally as they block sunlight and may give the appearance of discoloring under the rug. This is not a product defect.

- ❖ Improper installation/maintenance and failure to adhere to ADM Flooring Inc. installation/maintenance instructions.

- ❖ It is the responsibility of the installer and/or the homeowner to inspect boards prior to installation. ADM Flooring Inc. accepts no responsibility for costs of product or labor when boards with visible defects have been installed.

This Warranty is made subject to the following conditions:

This Warranty does not cover damage to the finish as a result of incorrect maintenance, accidents, neglect, or abuse, to include damage such as scratches, indentations, or discoloration. All claims against surface wear must be easily visible and be at least 10% of the entire floor. Gloss reduction is not considered surface wear. In the event of a finish defect, ADM Flooring Inc. will, at our option, repair the defective planks, replace the defective planks, or refund the amount equal to the price paid for the portion of the defective planks at an amount prorated from the date of installation. This is the sole and exclusive remedy under this Warranty. Additionally, the use of any non-conforming adhesives will void the warranty. In order to be covered under this limited warranty, the Flooring must be properly installed by a licensed flooring contractor in accordance with all installation instructions provided to you with the Flooring. This warranty does not cover damage arising from improper installation of the Flooring. In order to be covered under this limited warranty, the Flooring must be purchased from an authorized dealer of ADM. Flooring Inc. products. ADM Flooring Inc. offers no additional warranties, express or implied, other than those set forth herein. Neither your retailer nor anyone else has the authority to alter the terms of this warranty. Any representations or promises made by your retailer or installer are not binding on ADM.

For commercial use, the same warranty is applied but the time is reduced to 10 years. Also, we recommend lacquer products and we can send samples for review.

Additional Notes

ADM Flooring Inc. considers flooring that has been installed as that which has been accepted as ordered. Prior to the installation, the homeowner, dealer, or installer, has the responsibility to inspect the product to ensure proper specie, color, grade, integrity of structure, and finish. The installer must use reasonable selectivity and hold out or cut off pieces with defects, whatever the cause. No credit will be given for boards that have been installed with visible signs of defects or variances.

This warranty does not cover damages caused by or relating to improper transportation, storage, or installation of the Flooring. This warranty does not cover any defects unless the square footage of such defective flooring exceeds ten percent (10%) of the total square footage of your purchased Flooring.

This warranty does not cover manufacturing defects in Flooring that has been installed which are visible or which reasonably could have been discovered by you or your installer prior to installation. You must notify ADM Flooring Inc. of any such manufacturing defects before installing Flooring. If not properly notified, ADM Flooring Inc. shall not be held liable for any costs or expenses incurred as a result of the purchase or installation of any such defective or unsatisfactory Flooring.

Due to the natural materials and unique finishing processes, ADM Flooring Inc. wood products may experience tonal and color variation between planks depending on time in or out of the box and conditions such as weather, temperature, location, moisture levels or proper maintenance and installation. To avoid dramatic variation mainly caused by aging, it is recommended installation be completed from the same lot.
